<b>Manufacturer</b>  Kaczmarek Malewo Sp.J.	<b>Place of manufacture</b>  Gostyn, Poland	

**Product covered by the certificate**

<b>Type of product</b>  Plastics piping systems for non-pressure underground drainage and sewerage – Specifications for manholes and inspection chambers in traffic areas and deep underground installations	<b>Standard Normative document</b> EN 13598-2:2009	<b>Specific rules</b> INSTA SBC EN 13598-2
<b>Specification of product</b>  DIAMIR PP inspection chamber, riser ID 315 mm and connection sizes, solid pipes 110 - 200 mm, buried outside the building structure (application area code "U").  DIAMIR PP inspection chamber, riser OD 400 mm and connection sizes, solid pipes 110 - 400 mm buried outside the building structure (application area code "U").  DIAMIR PP inspection chamber, riser ID 600 mm and connection sizes, solid pipes 110 - 500 mm buried outside the building structure (application area code "U").  DIAMIR PP inspection chamber, riser ID 1000 mm and connection sizes, solid pipes 110 - 500 mm buried outside the building structure (application area code "U").  The chambers may be installed to a maximum depth of 6 m from ground level and may have a maximum depth of 6 m (DIAMIR ID 600 5 m) of groundwater above invert.  Confidential information according to the enclosure.		

The certificate holder above is hereby given permission to use the INSTA-CERT mark on or in connection with products, which fulfil the requirements of the standard or the normative document specified above (what is said in this document about INSTA-CERT mark will also be valid for marks defined in relevant SBC). The certificate is valid on the condition that the certificate holder complies with the "General rules for certification by partners of INSTA-CERT" (GRC) and the specific rules applying to certification of products of the type mentioned. The certificate holder is obliged to indemnify INSTA-CERT partners of any claim for damages or any other expenses to which partners may become liable as a result of injuries caused by a product manufactured or sold by the licensee. This also applies to defective or faulty products.

Unless terminated, the certificate will be automatically extended for one year at a time. The certificate will be re-issued with a new "date of valid edition" only if the content and/or conditions of the certificate have been changed. Termination may take place to the end of a year subject to three months' notice on the part of the certificate holder and the certification body.

The certificate is not transferable.
